## **REMINDERS:**

### **PE:**

In Y6, PE is every Tuesday and Thursday. Children must come to school on those days with the correct kit. Trainers and school approved tracksuit/shorts and t-shirt.

### **HOMEWORK:**

**Homework** will be set on a Thursday and due back to school the following Tuesday. It will consist of MyMaths, reading, grammar, spellings and topic work. In Year 6 this children should also study their grammar glossary and maths facts in addition to their homework in preparation for the SATs in May 2024.

**Spelling** homework will also be given on a Thursday and tested the following Thursday before new ones are sent home.

Children are expected to read for 15-20 minutes each evening – they are welcome to choose whatever they would like to read: their school library book, anything borrowed from our book corner, or anything else from home.

**MyMaths** is always available for extra maths activities to do independent of what is set as homework.
