Part A: Pupil premium strategy plan

Statement of intent

Here at St Andrew's our intention is that all pupils, irrespective of their background or challenges, make good progress and achieve high attainment across all subject areas. This includes progress for those who are already high attainers. We aim to ensure all children have the tools necessary to access the curriculum through high quality teaching by identifying barriers to learning. Teaching is then adapted to challenge, support and close the gaps. Progress is carefully monitored by senior leaders and class teachers. By identifying barriers to learning we also create personalised interventions so that all children reach their full potential.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Attainment: Our data has shown that the attainment of pupil premium children is lower than non-pupil premium children. Previous support in place has shown an impact in the improved attainment of this group of children, support will continue so that progress and attainment continues to improve.
2	Vocabulary and knowledge gaps: Assessment and observation has shown vocabulary (oral acquisition) and knowledge gaps among many disadvantaged pupils.
3	Enrichment: We have identified that many of our pupil premium children lack enrichment. More opportunities need to be offered to this group of children. A wider range of clubs is being offered and trips and residential re being pair of
4	Significant increase in PP in certain classes also with SEN and EAL

Intended outcomes

This explains the outcomes we are aiming for by the end of our current strategy plan, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
To improve the progress and raise the achievement of all PP pupils	More PP pupils are at ARE+ compared to previous year PP to make good progress The attainment gap between PP and non PP is reduced
To ensure appropriate interventions are used to accelerate learning in reading and maths	Good progress made in interventions which is then reflected in progress and attainment in the classroom.

	<p>Focus groups for targeted teaching</p> <p>Daily guided class reading</p> <p>Daily reading aloud (10 minutes)</p> <p>Targeted teaching groups for Year 6 Pupils during assembly times by SLT</p> <p>LASS</p> <p>STEPS</p> <p>Additional phonics</p> <p>EAL support intervention</p>
To increase participation of pupils in extracurricular activities such as sport and enrichment	Children to be given financial support for educational visits including funding for the residential as well as an offer for paid enrichment activities after school for a set period of time.
To ensure that EYFS environment prompts pupil talk	Vocabulary is modelled and shared and made meaningful for pupils. Opportunities to write, mark make and use language is embedded throughout the curriculum.
To offer pastoral and emotional support to families	Financial support given to PP families to enable participation in extracurricular activities and debt management. A school mentor is being developed to provide additional support for families.

Service pupil premium funding (optional)

For schools that receive this funding, you may wish to provide the following information:

Measure	Details
How did you spend your service pupil premium allocation last academic year?	
What was the impact of that spending on service pupil premium eligible pupils?	

Further information (optional)

Use this space to provide any further information about your pupil premium strategy. For example, about your strategy planning, or other activity that you are implementing to support disadvantaged pupils, that is not dependent on pupil premium or recovery premium funding.

Additional activity

Offering a wider range of high quality extracurricular activities to boost well-being and aspiration. Disadvantaged pupils will be encouraged to attend and supported to participate. An example of this is the Enfield Town School's partnership enrichment opportunities which include the spelling bee and debating.

We are continually reviewing and evaluating our pupil premium provision and we will adjust plans over time to ensure the best outcomes for our pupils.
