Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

Part A: Pupil premium strategy plan

Statement of intent

Here at St Andrew's we aim to ensure all children have the tools necessary for them to access the curriculum. The pupil premium funding is supplied in order for us to ensure that our most vulnerable children make progress and attainment in line with their peers. This progress is carefully monitored by class teachers and our assessment coordinator. By identifying barriers to learning (both academically and socially) and creating personalised interventions, our aim is for all children to reach their full potential.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	The number of pupils at below ARE has increased due to missed schooling because of pandemic
2	Lack of engagement to home learning from some PP pupils resulting in slower than expected rates of progress
3	Significant increase in PP in certain classes also with SEN and EAL
4	Environmental and language factors have further inhibited learning
5	Attendance and Punctuality

Intended outcomes

This explains the outcomes we are aiming for by the end of our current strategy plan, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
SDP To improve the progress and raise the achievement of all PP pupils through the following;	More PP pupils are at ARE+ compared to previous year PP to make expected rates of progress The attainment gap between PP and non PP is reduced
To ensure appropriate interventions are used to accelerate learning in reading and maths	Increase in homework completion Increased rates of progress seen in data drops Teacher use of focus groups for planning and quality teaching KS1 PP pupils heard read every morning Daily guided class reading Colourful semantics

	LASS STEPS
To close the word gap between PP and non-PP	Increase in scores using BPVS entry and exit test Attendance in Drama groups Performance of termly assemblies
To promote the use and understanding of vocabulary across the curriculum (See SDP)	Pupils to apply their use of vocabulary in extended writing Vocabulary shared in all subjects Involvement in curriculum teams
To increase participation of pupils in extracurricular activities such as sport and enrichment	Clubs, reading buddies, school council, achievements, sports teams and events
To ensure that EYFS environment prompts pupil talk	Vocabulary is modelled and shared and made meaningful for pupils. Opportunities to write, mark make and use language
To improve attendance and punctuality	Increased attendance monitored by WO Reduction of lateness by some pupils
To offer pastoral and emotional support to families	Financial support given to PP families to enable participation in extracurricular activities and debt management

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2021 to 2022 academic year.

Due to COVID-19, performance measures have not been published for 2020 to 2021, and 2020 to 2021 results will not be used to hold schools to account. Given this, please point to any other pupil evaluations undertaken during the 2020 to 2021 academic year, for example, standardised teacher administered tests or diagnostic assessments such as rubrics or scales.

If last year marked the end of a previous pupil premium strategy plan, what is your assessment of how successfully the intended outcomes of that plan were

KS2 results showed PP achieved well above national averages for progress and attainment

KS1 results showed PP achieved well above national averages for attainment

See school Data report 2021/22 for further information on PP attainment and progress

Pupil well being monitored through regular contact with vulnerable families during term time and holidays

Families supported financially and emotionally through cost of living crisis. PGL, extended club, school trips, school debt management

Increase in vocabulary scores taken using BVSP entry and exit (beginning and end of year) outcomes for PP a

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England
